

### LCG Scholarship Contribution

We realize that families in need should not be denied a quality music education. For this reason we have implemented these means to help those who demonstrate a responsible commitment to their study. This scholarship is available to families in need who have begun study of the guitar at the Longay Conservatory of Guitar. Only continuing students who demonstrate a consistently high level of dedication to the guitar and instruction are considered.

For more information see the LCG Scholarship description available from the Conservatory or the web-site.
