Endowed Scholarship Program

To address the needs of those facing financial challenges we have implemented the following opportunities.

scholarship contribution

We realize that families in need should not be denied a quality music education. For this reason we have implemented these means to help those who demonstrate a responsible commitment to their study. This scholarship is available to families in need who would like to begin, or who have already begun, study of the guitar at the Longay Conservatory of Guitar. Only new students or continuing students who demonstrate a consistently high level of dedication to the guitar and instruction are considered.

✤ By contributing full tuitions of $966 you enable a deserving family the opportunity to remain enrolled in LCG for an entire semester,

✤ by making $483 contributions you would compensate half a semester's tuitions and

✤ by making an appropriate contribution as your budget will allow you will help us build a general fund to continue to help families in need.

A simple, confidential, **contribution form** will enable you to make your gift. Thank you for your generosity and belief in the value of music in the lives of all individuals. Your contribution is greatly appreciated.
